Lift Your Thoughts and Prayers and Post it to the Cross

Have you ever noticed the big wooden cross hanging on the wall leading to the downstairs classrooms? It's a reminder that God is always with us... even during the most difficult times. The cross is a sign of hope and forgiveness. No matter what we do, God is always waiting for us to open our hearts to His amazing and unconditional love.

If you have something that is heavy on your heart or want to share a blessing or thanksgiving, please write your prayer on a post-it-note and stick it on the cross. All prayers will be lifted in prayer.

Post- it- Notes can be found on the entryway table in the Learning Center or down by the Wooden Cross.

Let's fill up the cross with our heartfelt prayers this month.

Sometimes we just need to meet God at the foot of the Cross.

Thank You!

Thank you for coming to our Fat Tuesday pancake breakfast. A fun and delicious morning for everyone! **Thanks to our OSLCP community, over \$290.00 was given to donate to the Everett Food Bank.**

Thank you to **Laura Marchbanks, Ashley Engler and Tiffany Parks** for hosting our first Ladies Night Out Event. 'Galentines' raised over \$140.00 for our Nature Park!

Nature Park Work Party

Friday March 9th 9:00am – noon.

Grown-Up volunteers are needed to help spruce up our Tree of Life Nature Park. All classes use the nature park all year long. Can you lend a helping hand to get it ready for spring?

Please bring your gloves, shovels and gardening tools to help clean out the flower beds, shovel sand and bark. Does anyone have a truck that can be used for picking up topsoil? Please let the director know ASAP. Many helping hands make the job so much faster!
